

## Expect-a-Miracle Rules

1. Come, ready to give and receive respect, kindness, and loving encouragement as new doors open and new friends are made.
2. Embrace the simple life: bring as little as possible with you and use your time in helpful, creative and uplifting ways.
3. Be a prime example of what it means to live a clean, wholesome life. Eat lots of raw, natural foods, make water your beverage of choice, forsake smoking and keep thoughts, words and actions pure.
4. Be a worker that needn't be ashamed. Better yourself physically, mentally, and spiritually by exercising, learning new things, and reading/applying God's Word.
5. Expect the best, be thankful, keep your word, and then watch for the miracles that are sure to come!
